Dear Andrea,

I wanted to thank you for your email providing us with some details about The Heart of Riverdale's operations and overall funding situation.

I want to congratulate you and your board and staff (and families and students as well) on your successes over the years. The Heart is truly a pillar of the youth arts community and beyond. We would like to share our appreciation of all the Heart has to offer, from early learning to arts programming, stellar performances and so much more.

Should we form government, the Yukon Party looks forward to meeting with your organization to see how we can help to ensure stable, long-term funding that will allow The Heart the financial stability to grow and thrive.

Again, thank you for your email. We look forward to meeting with you in the coming months.

Sincerely,

Currie Dixon
Leader of the Yukon Party
