Dear **Andrea and Board of The Heart of Riverdale**,

We agree that the Heart of Riverdale is a cornerstone of wellness, opportunity, and creativity for Yukon youth and for many of the residents of Riverdale.

We understand and enthusiastically support the work that you do. It is not at all surprising to hear that you have hundreds of letters of support, knowing that your organization holds a special place in the hearts of residents.

We absolutely want to keep supporting that work and if elected we will meet with you right away to make sure that you have the funding you need to keep going.

Warm regards,

**Kate White, Leader of the Yukon NDP**
